Personal Essay:

Please submit with your application an essay on the following topic:

The transition from high school to college is both challenging and exciting. Studies show that students who do the best in making the adjustment to college life develop their abilities in areas outside academics. CHOOSE TWO of the following areas and explain, using specific details, how you will develop these areas to improve your success in making the transition from high school to college.

- *Organization of study materials and time management*
- *Making friends and forming supportive relationships with peers*
- *Using campus resources (tutoring, counseling, career development, faculty advising) to get extra help*
- *Seeking advice and assistance from family members*

Length of essay: 2 pages, typed, double-spaced, Times Roman 12 point font
