Bucks credits toward AS	64	Credits Accepted	61
Total Bucks Credits	64	Total Credits Accepted	61

A minimum 3.0 cumulative GPA and 3.0 Math/Science GPA are required for admission to the Professional Bridge – Pre-DPT program.

Students transferring under this agreement will need to meet the DPT Essential Functions and Technical Standards

The courses encompassed in the A.S. degree from Bucks must be completed within the three years preceding matriculation at USciences.

The “USciences Letter of Intent” form has to be submitted at least one year prior to transferring to USciences. A maximum of three (3) students per academic year will be admitted to the USciences Professional Bridge – Pre-DPT program under this agreement. USciences, in consultation with its Department of Physical Therapy, may, at its discretion, extend the number of admitted students above three based on anticipated additional seats availability in the DPT program and transfer student credentials.

HS110 1st Yr. Experience (1 cr) and HS111 Health Sciences Orientation II (1 cr) will be waived for students transferring to USciences after earning the A.S. in Biomedical Sciences (1105). However, the total credits required for graduation (includes transfer credits) will remain unchanged.

A checklist for the 3rd year Professional Bridge - Pre-DPT program at USciences, based on current approved curriculum, is provided in the following table. Transfer credits for the following courses will not be accepted as part of the bridge program, these courses need to be completed at USciences. [Note: To be admitted in the DPT program students in the Professional Bridge Pre-DPT must be full time during their transitional year (i.e. take minimum of 12 credits per semester) and meet the minimum USciences overall GPA and math/science GPA admission requirements. The following courses were identified by the Department of Physical Therapy as the pre-requisite courses that must be used to calculate the USciences overall GPA and math/science GPA, therefore they must be taken at USciences.]

THIRD YEAR AT USCIENCES – PROFESSIONAL BRIDGE PRE-DPT PROGRAM		
FALL SEMESTER		
BS 310	Anatomy/Physiology I	3
BS 207	Human Structure and Function Lab	1
PS 200	Psychology Human Dev.	3
PT 300	Medical Terminology I	1
ST 310	Biostatistics	3
WR 302	Scientific Writing	3
SPRING SEMESTER		
BS 311	Anatomy / Physiology II	3
BS 208	Human Structure and Function Lab	1
BS 219	Basic Nutrition	3
PS 329	Cognitive Psychology	3
PT 301	Medical Terminology II	1
	Elective	3

Students transferred under this agreement who have earned minimum cumulative GPA of 3.0 and a Math/Science GPA (BS310, BS311, BS207, BS208, ST310) of 3.0 by the end of Fall semester of the transitional year and maintain them through the spring semester of the transitional year, will be assured Guaranteed Seats/Admission in the first professional year (P1) of the USciences DPT program. Students admitted into the DPT program will earn the BSHS in health science after the completion of the first professional year (P1), provided all the University requirements for the BSHS program are met.

Students transferred under this agreement who are not admitted to the professional year of the DPT program by the end of the transitional year will lose their Guaranteed Seat/Admission in the DPT program, however may earn a bachelor’s degree by remaining enrolled at USciences for an additional year. Some examples of possible pathways to USciences BS degrees are given below.

Suggested checklist for 4th year at USciences to complete BS in Biomedical Sciences based on current approved curriculum: *(this provision is to be considered directive in character and do not constitute a contract)*

4th YEAR AT USCIENCES – BS in BIOMEDICAL SCIENCES		
CH 201	Organic Chemistry I	3
CH 203	Organic Chemistry Lab I	1
CH 202	Organic Chemistry II	3
CH 204	Organic Chemistry Lab II	1
CH 34X	Biochemistry	3-4
BS 243	Microbial Science	3
BS 244	Microbial Science Lab	1
	Clinical Biology Elective	3-4
BS 466	Genetics	4
BS 493	Biological Sciences Seminar I	1
BS 494	Biological Sciences Seminar II	1
BS 4XX	Science Electives	2-4
	Electives	12

Suggested checklist for 4th year at USciences to complete BS in Health Science based on current approved curriculum: *(this provision is to be considered directive in character and do not constitute a contract)*

4th YEAR AT USCIENCES – BS in HEALTH SCIENCE		
	Health Science Courses	13
	Concentration Courses	16
	Fieldwork	3
	Research Design/Methods	3

Progress in Completing USciences' General Education Curriculum

[For the most recent information, see the current USciences Catalog on its website]

Discipline Requirements (minimum of 41 credits)

Discipline Requirement	Community College Courses // USciences Courses*
Natural Science (ONE semester of lab required) 7 credits	CHEM121 CHEM122
