<b>CCC credits toward AA</b>	<b>64</b>	<b>Credits Accepted</b>	<b>63</b>
<b>Total CCC Credits</b>	<b>64</b>	<b>Total Credits Accepted</b>	<b>63</b>

A minimum 2.5 cumulative GPA is required for admission.

The courses encompassed in the A.A. degree from CCC must be completed within the three years preceding matriculation at USciences. Students who take more than 3 years to complete the A.A. degree can still transfer under this articulation agreement, subject to departmental review and approval.

PS100 - Psychology Orientation I (1 cr) will be waived for students transferring to USciences after earning the A.A. in Liberal Arts and Science: Psychology Option (PSY.AA). However, the total credits required for graduation (includes transfer credits) will remain unchanged.

Graduation from USciences with a BS degree requires completion of specified courses and a total of 121-136 credit hours, depending upon the degree program. In order to enter USciences with U3 (junior) status and to facilitate the completion of a BS degree in two years of study at USciences, all students are strongly advised to complete more than 60 total credits of course work which is eligible for transfer to USciences. Students interested in transferring to USciences are strongly urged to contact the USciences Admission Office early in their enrollment at CCC for advising.

Suggested checklist for 3<sup>rd</sup> and 4<sup>th</sup> year at USciences based on current approved curriculum:  
 (this checklist is for planning purpose only and it is subject to changes; it does not constitute a contract)

<b>THIRD and FOURTH YEAR AT USCIENCES</b>		
	Electives	6
<b>FOUNDATIONAL REQUIREMENTS</b>		
PS102	Philosophy of Psychology	3
SS221	Research Design and Statistical Analysis I	
SS222	Research Design and Statistical Analysis II
