ACADEMIC PROGRAM AT USCSCIENCES _____

English Language Proficiency Requirement

According to the agreement between University of the Sciences and the Saudi Arabian Cultural Mission, you must demonstrate suitable English proficiency to obtain a full acceptance to study at USciences.

The following options are the approved ways to demonstrate your English preparation. Select one of the following approved options:

- Attend and complete ELS, Level 112, English for Academic Purposes
- Attend and complete ELP 800 at the University of Pennsylvania
- Submit official TOEFL scores with 90 or above
- Submit official IELTS scores with 6.5 or above
- If you are currently attending an unapproved program, contact the Graduate Admission Office immediately.

Enrollment Date

Indicate the term and year when you plan to start at USciences: Fall 20_____ Spring 20_____

Orientation

All international students are required to attend our Graduate Orientation. The orientation is scheduled the week before classes begin.

By signing this form, you agree to the following:

- I have one year or less to satisfy my English language preparation.
- I understand that I must keep in contact with USciences staff while I am completing my English language preparation.
- I will arrange to have official proof of completion sent from my English language program.
- If submitting official test results, scores must come directly from the testing organization.
- I will attend the Graduate Orientation the week before classes begin.
