If you’re looking for a unique way to create a lasting legacy and help to further our mission, inscribe a dedication on our Periodic Table of Legacies. Imagine your company, foundation or family enjoying the recognition and honor of your name as one of the periodic elements. It’s a unique way to honor a special student, alumnus, faculty member, or even yourself!

USciences is proud to display our Periodic Table on campus in the lobby of McNeil Science and Technology Center (STC), where these special tributes provide a lasting memory and have a lasting impact on the University.

Limited elements are left to choose from, so reserve yours today!
