

WHAT'S THE VALUE OF A U**Sciences** SPECIALIZED UNDERGRADUATE BUSINESS EDUCATION?

EMPLOYMENT...

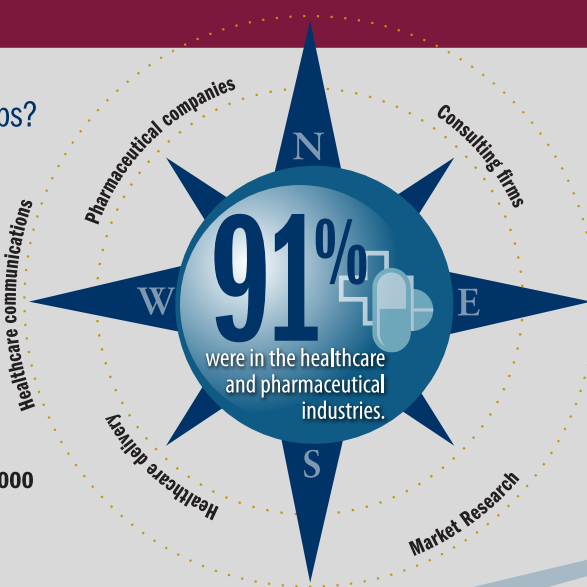

How quickly did our graduates find a job in a tough economy?

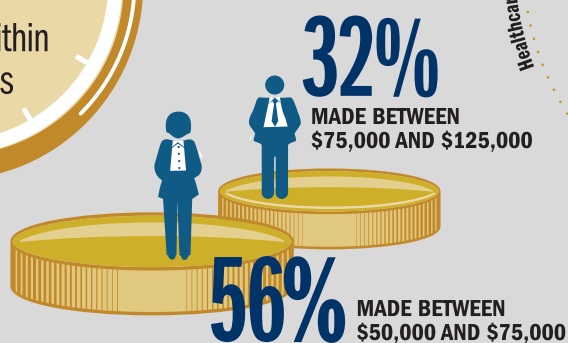

Where did they find jobs?

Kinds of jobs include marketing, sales, project management, and consulting

Most frequent employers shown.

"The curriculum was based on real-life-lessons. The faculty were industry leaders. The entire program provided so many opportunities for us to succeed."

What kind of salaries did these grads command?

The curriculum provided a strong background in healthcare and industry knowledge. I was more knowledgeable and prepared compared to other new hires.

SUCCESSFUL OUTCOMES...

88%

have completed at least one industry-related **internship by graduation.**

SATISFACTION...

90%

of graduates were **satisfied** or **very satisfied** with the program.

85% would **recommend** the program to others.

I would not be where I am without them. They pushed me when I was struggling. They taught in concepts instead of memorization. Most of all, they believed in us. They gave us the courage, strength and knowledge to succeed in our careers.

#ProvenEverywhere

About the survey: The data reported above was obtained in a fall 2016 survey of BS graduates from 2010-2016. Employment and internship data tracked by undergraduate PHB program director for 2014-2016 BS graduates.
