

## How to Register for the Student Health Portal

1. Go to [shac.usciences.edu](http://shac.usciences.edu)
2. Click the “Not registered” link

The screenshot shows the USciences Student Health Portal login page. At the top left is the USciences logo. Below it is a navigation bar with links for Home, My Profile, Messages, and Document Upload. On the right side of the navigation bar are links for USciences Student Health Portal and Logon. The main content area contains a welcome message: "Welcome to the USciences Student Health Portal! Please logon or register below. PLEASE NOTE: You must enter your student ID number with a leading zero." Below this is a yellow box with the text "Not registered? Click here to register." and a red note: "NOTE: if you have not used this system before, then you need to register." A login form is centered on the page, titled "Login". It has two input fields: "Student ID (include leading zero):" and "Password". Below the password field is a "Logon" button. A note below the button says "Password is case sensitive." Below the login form is a link: "Forgot your password? Click here to reset it." At the bottom of the page is a footer with the text "PHS © 2015" and "© 2015 University of the Sciences in Philadelphia • 600 South 43rd Street • Philadelphia, PA 19104 • 215.596.8980".

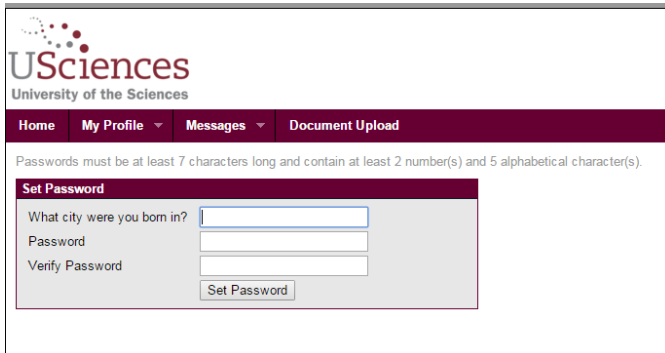

3. Fill in the required information

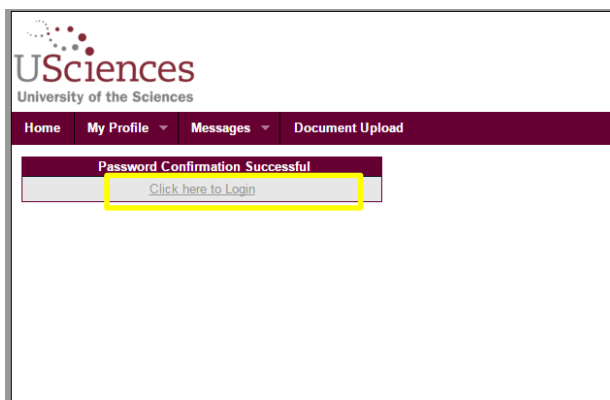

The screenshot shows the USciences Student Health Portal registration page. At the top left is the USciences logo. Below it is a navigation bar with links for Home, My Profile, Messages, and Document Upload. The main content area contains a registration form titled "Register". The form has several input fields: "Student ID (include leading zero):", "Date of Birth (MMDDYYYY):", "Email", "Verify Email", "Security Question" (a dropdown menu with "Choose" selected), and "Security Answer". Below the security answer field is a "Register" button.

4. Click “Register”
5. After a successful registration you will receive an email with a link to obtain your password.

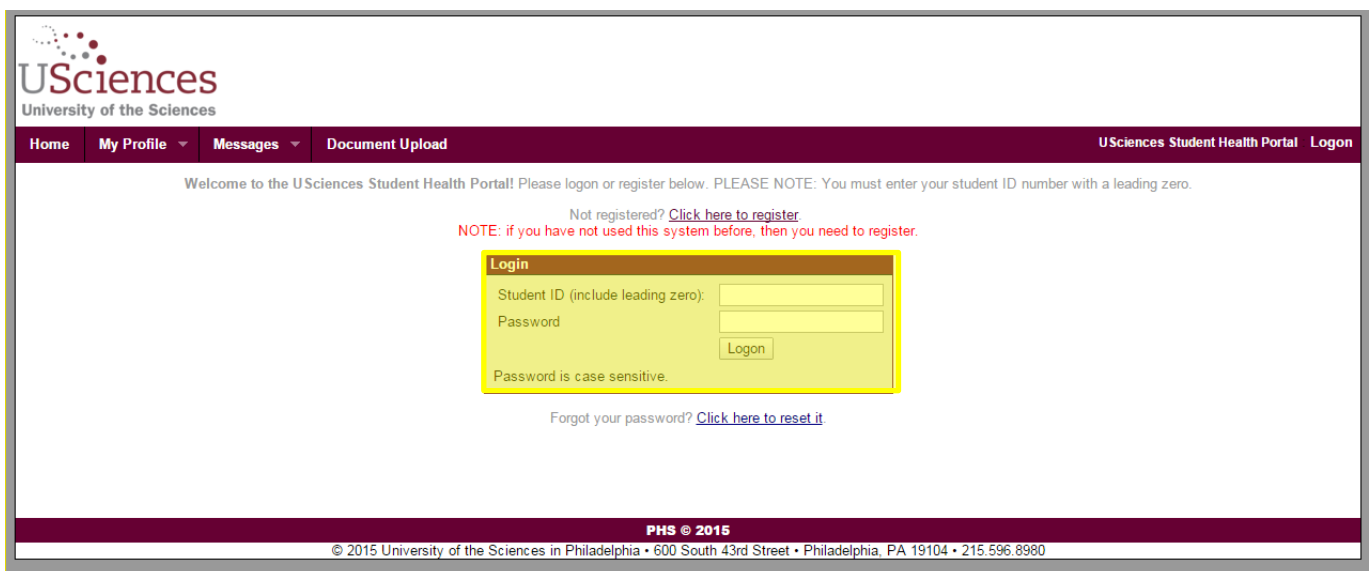

6. Answer the security question and create your password.

7. Click the link to login

8. Enter your USciences Student ID number (with leading zero) and password.

9. Click "Logon"
